## YEDI "INFINITY"® SOUS VIDE

Powered by Octcision Technology

**CATALYZED BY "OCTCISION" TECHNOLOGY:** With cutting edge innovation and industry leading ingenuity, Yedi's "Infinity"® has a patented octagonal shape that creates a more even and accurate water flow distribution than other sous vide devices on the market. More specifically, "Octcision" Technology, with its 8 sides and 160 perforated openings, pushes heated water against the side and throughout any container in a way that avoids cool spots and uneven water distribution...our highest accuracy standard for water immersion cooking.

**POWERHOUSE CAPACITY, RANGE, & ADAPTION:** Yedi's "Infinity"® heats and circulates water at an exact temperature: ranging from 77°-203° Fahrenheit with time capacity of up to 99 Hours 59 Minutes of cook time. The built-in clamp secures the sous vide onto any (heat-safe) bucket, pot, or pan.

**HEATS UP FAST:** 1000 Watts of power for hyper-fast water heating. Designed to be Ultra-Quiet while achieving Michelin restaurant level quality cooking results, the Yedi "Infinity"® cooks everything from Beef, Chicken, Pork, Veggies, Seafood, Eggs, Chocolate and more!

**DELUXE ACCESSORY KIT:** Included is 1 hand pump, 20 Reusable FDA certified BPA Free Vacuum Sealed Bags, 4 sous vide container clips, 2 sous vide vacuum bag sealing clips, a Recipe Book and Cheat Sheets (also translated in Spanish & French).
